### SCAM EMAIL

Dear Patients

Unfortunately it appears you may have received a spam email from us and we have been advised to let patients know they should **NOT** click on the link or enter any password if requested. Please ensure you delete the email completely from your device. We are taking the necessary steps to ensure this doesn't happen again.

Our external computing team are working on this at the moment to see if they can identify what has happened, however please be reassured that our Burdwood Surgery email account is not linked to our clinical system in any way and therefore confidential patient information has not been breached.

We are very sorry for any inconvenience this may have caused and thank you for flagging it with us.

Kind regards

The Burdwood Surgery
