

Emoji Bingo

- Give one bingo card to each player (there are six cards in total)
- Cut out the emojis on this page and turn them over
- Turn these emojis over one at a time and call them out
- The players look for the emoji on their cards, and place a marker on it (pennies work great for this!).
- Continue choosing emojis in random order until someone fills an entire row on their card, in any direction, and yells, "Bingo!"
- If you want to add more emojis go to <https://emojipedia.org/people/>
